Re: **Request for authority for the County of Westchester (the “County”), acting by and through its Department of Corrections (the “Department”) to enter an agreement with New York State Division of Criminal Justice Services (“DCJS”) pursuant to which DCJS will provide a \$20,000 grant for the Department for the Department’s purchase and installation of a DEDRONE Multi-Sensor secure air space system, for the period from 11/1/16 through 10/31/17.**

Authority of your Honorable Board is hereby requested for the County acting by and through the Department to enter an agreement with New York State Division of Criminal Justice Services (“DCJS”) pursuant to which DCJS will provide a \$20,000 grant for the Department for the Department’s purchase and installation of a DEDRONE Multi-Sensor secure air space system, for the period from 11/1/16 through 10/31/17 (the “Agreement”).

The goals and objectives are to identify if a drone becomes too close or is in the area of the County’s jail yard. The system will deter contraband from being delivered by drones.

I certify that my department, a) has copies of, or access to, all applicable laws, rules, regulations, grant applications, and grant agreements (including any master grant agreement), as well as any guidance or instructions received from the agency making the grant (the “Grant Terms”), b) has reviewed the Grant Terms, c) is aware of and understands all of the Grant Terms, and d) can and will comply with all of the Grant Terms.

An appropriate resolution is herewith attached for your Honorable Board’s consideration.
