**From:** Kevin M. McGuire, Commissioner  
Department of Social Services

**Subject:** Authority to enter into an agreement with Volunteers of America-Greater New York, Inc. (the "VOA") to provide Shelter Monitoring and Transportation Services ("SMTS") for homeless level 2 and level 3 sex offenders who have been placed at the Grasslands Homeless Shelter and are currently serving a parole or probation term for the period from January 1, 2017 through December 31, 2017 for an amount not to exceed \$841,000 to be paid pursuant to an approved budget and subject to appropriation

The resolution, if approved by your Honorable Board, would authorize the County of Westchester to enter into an agreement with Volunteers of America-Greater New York, Inc. (the "VOA") to provide Shelter Monitoring and Transportation Services ("SMTS") for homeless level 2 and level 3 sex offenders who have been placed at the Grasslands Homeless Shelter and are currently serving a parole or probation term for the period from January 1, 2017 through December 31, 2017 for an amount not to exceed \$841,000 to be paid pursuant to an approved budget and subject to appropriation.

The **public purpose** of the program is to assist the County of Westchester in ensuring the safety and wellbeing of children by monitoring the offenders through a program designed under the current agreement.

The **goals and objectives** of SMTS program are to provide shelter monitoring and transportation services to parole or probation approved appointments for level 2 and level 3 homeless sex offenders who have been placed at the Grasslands Homeless Shelter. Westchester County Department of Social Services requires the completion of a travel itinerary for each participant. Parole or Probation must approve and sign off on each participant's travel itinerary. Another goal of the program is to locate permanent housing for the clients. Sex offenders are ineligible for several housing programs. SMTS case management staff will work closely with realtors to find eligible housing and work closely with clients to ensure housing readiness.

The **goals and objectives of this program are in the best interests of the County in terms of fiscal responsibility, public health and safety** as the program provides

supportive services including counseling, therapy, education, and assistance in finding employment and permanent housing, thereby assisting program participants in becoming economically independent and improving their behavior and quality of life. It is more cost effective for the County to house a client in permanent housing than to house a client within a shelter.

The **goals and objectives will be tracked and monitored** using the Performance Measurement Indicators developed by the Department. Program office evaluates the performance of the vendor and the effectiveness of the program.

The **Department is able to report that** VOA-SMTS program provided emergency shelter and case management services for 25 unduplicated program participants for the period from March 1, 2016 through December 31, 2016. The Department is also able to report the following outcomes for the aforementioned period:

- 20% of program participants required substance abuse treatment
- 100% of program participants required mental health evaluation/treatment
- 36% of program participants secured permanent housing
- 20% of program participants required substance abuse treatment
- 100% of program participants required mental health evaluation/treatment
- 36% of program participants secured permanent housing

This contract is exempt from the Westchester County Procurement Policy under Section 3 (a) (xiv) thereof. This contract is exempt from the competitive procurement requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (formerly, the Grants Management Common Rule) because there is no federal funding supporting this program.

Accordingly, the County is requesting permission from your Honorable Board to enter into an agreement with VOA for the above stated purpose.

A resolution is annexed hereto, which I recommend for your favorable consideration.
