Subject: **Authority for the County to enter into an agreement with Volunteers of America-Greater New York, Inc. ("VOA") to operate a shelter for up to one hundred forty-nine (149) homeless individuals at the Grasslands Homeless Shelter located at 25 Operations Drive, Valhalla, New York for the term from January 1, 2017 through December 31, 2017 in the total amount not to exceed \$3,586,829 to be paid pursuant to an approved budget and subject to appropriation**

Authority is requested for the County of Westchester to enter into an agreement with Volunteers of America-Greater New York, Inc. ("VOA") to operate a shelter for up to one hundred forty-nine (149) homeless individuals at the Grasslands Homeless Shelter located at 25 Operations Drive, Valhalla, New York for the term from January 1, 2017 through December 31, 2017 in the total amount not to exceed \$3,586,829 to be paid pursuant to an approved budget and subject to appropriation.

The agreement with VOA would serve a **public purpose** by providing a safer environment for the homeless population in the County through sheltering services and keeping them off the streets.

The **goals and objectives** of the proposed agreement are to provide emergency shelter to all individuals referred by the Department, to provide 24 hour supervision, meals, counseling and supportive services. Supportive services include referrals to outside agencies for job training, drug/alcohol programs, medical treatment, education and life skills programs. Case management staff will work closely with individuals to increase the success of establishing permanent housing and obtaining permanent housing.

The goals and objectives of this program are in **the best interests of the County in terms of public health and public safety** as the proposed agreement will enhance and ensure the health and safety of the targeted population by providing shelter for persons

who would otherwise be in the street, thereby reducing the risk of crime and health related issues.

The goals and objectives are in the County's **best interests in terms of fiscal responsibility** as the shelter and supportive services provided under the terms of the agreement increase the individual's opportunity of securing permanent housing resources. The provision of life skills training would help reduce the resident's dependence on public assistance.

The **goals and objectives will be tracked and monitored** using the performance measurement indicators developed by the Department. The contractor is required to submit to the Department monthly and quarterly statistical reports on performance/outcome based activities related to the program. Performance outcomes will be tracked and monitored by the Department.

The **Department is able to report that** VOA-Grasslands Homeless Shelter program provided emergency shelter and case management services to 251 unduplicated individuals for the period from October 1, 2015 through December 31, 2016. The Department is also able to report the following outcomes for the aforementioned period:

- Average Length of Stay of those who secured permanent housing: 79 days
- # of individuals who secured permanent housing: 102
- # of individuals who secured transitional housing: 19

Over 50% of shelter recipients are attending a substance and/or mental health related program. Twenty-seven percent (27%) of shelter recipients served at the VOA Grasslands assessment center move into permanent housing within 79 days of entering the shelter system.

This contract is exempt from the Westchester County Procurement Policy under Section 3 (a) xiv as this contract is with a not-for-profit organization for the purpose of providing aid, care and support services to those who are in need of public assistance. This contract is not subject to the competitive procurement requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (formerly, the Grants Management Common Rule) as there is no federal funding for this program.

Accordingly, the County of Westchester is requesting authority to enter into an agreement with Volunteers of America-Greater New York, Inc. for the above stated purpose.

A resolution is annexed hereto, which I recommend for your favorable consideration.
