RE: Request for authority for the County of Westchester to amend agreements with Richard L. Aronson, Inc. d/b/a A&A Staffing Health Care Services and Family Services of Westchester, Inc. (the "Agreements") for the provision of Homemaker/Personal Care services for the elderly under Title III B of the Older Americans Act, in order to exercise the fourth of its five renewal options to renew the Agreements for the period from January 1, 2017 through December 31, 2017 for a total aggregate amount not to exceed \$28,866 in Federal funds

By resolution approved on July 11, 2013 (the "July 11th Resolution"), your Honorable Board authorized the County of Westchester (the "County") to enter into Agreements with Richard L. Aronson, Inc d/b/a A&A Staffing Health Care Services and Family Services of Westchester, Inc. (the "Contractors") for the purpose of providing Homemaker/Personal Care services (the "Program") for the elderly under Title III B of the Older Americans Act in a total aggregate amount not to exceed \$21,940, comprised of \$19,746 in Federal funds to be paid based on a percentage of their respective approved Medicaid Rates, and \$2,194 in Contractor matching funds, for the period commencing on January 1, 2013 and terminating on December 31, 2013, with the County have the sole option to renew the Agreements for up to five (5) additional one (1) year periods, subject to the prior approval of your Honorable Board. The Agreements were subsequently executed.

Thereafter, by resolution approved on July 17, 2014 (the "July 17th Resolution") your Honorable Board authorized the County to amend the Agreements in order to exercise the first of its five (5) options to renew the Agreements for the purpose of providing the Program services, for a total aggregate amount not to exceed \$28,866 in Federal funds to be paid based on a percentage of the Contractors' respective approved Medicaid Rates, with each Contractor receiving an amount not to exceed \$14,433 in federal funds and with each contributing \$1,604 in Contractor matching funds to the Program, for the period commencing on January 1, 2014 and terminating on December 31, 2014 (the "First Amendment"). The First Amendment to renew the Agreements was subsequently executed.

Thereafter, by resolution approved on February 26, 2015 (the "February 26th Resolution") your Honorable Board authorized the County to amend the Agreements in order to exercise the second of its five (5) options to renew the Agreements for the purpose of providing the Program services, for a total aggregate amount not to exceed \$28,866 in Federal funds to be paid based on a percentage of the Contractors' respective approved Medicaid Rates, with each Contractor receiving an amount not to exceed \$14,433 in Federal funds and with each Contractor contributing an amount not to exceed \$1,604 in Contractor matching funds to the Program, for the period commencing on January 1, 2015 and terminating on December 31, 2015 (the "Second Amendment"). The Second Amendment to renew the Agreements was subsequently executed.

Thereafter, by resolution approved on March 17, 2016 (the "March 17th Resolution") your Honorable Board authorized the County to amend the Agreements in order *inter alia* to exercise the third of its five (5) options to renew the Agreements for the purpose of providing the Program services, for a total aggregate amount not to exceed \$28,866 in Federal funds to be paid based on a percentage of the Contractors' respective approved Medicaid Rates, with each Contractor receiving an amount not to exceed \$14,433 in Federal funds and with each Contractor contributing an amount not to exceed \$1,604 in Contractor matching funds to the Program, for the period commencing on January 1, 2016 and terminating on December 31, 2016 (the "Third Amendment"). The Third Amendment to renew the Agreements was subsequently executed.

The County now seeks authority to further amend the Agreements with the Contractors in order to exercise the fourth of its five (5) options to renew the Agreements for the purpose of providing the Program services, for a total aggregate amount not to exceed \$28,866 in Federal funds to be paid based on a percentage of the Contractors' respective approved Medicaid Rates, with each Contractor receiving an amount not to exceed \$14,433 in Federal funds. In addition, each Contractor will be required to contribute an amount not to exceed \$1,604 in Contractor matching funds to the Program, for the period commencing on January 1, 2017 and terminating on December 31, 2017 (the "Fourth Amendment").

It should be noted that the proposed amended Agreements are subject to the Federal Common Grant Rules, under which a market analysis must be conducted before a renewal option may be exercised. As a result, the Department solicited price proposals for the Program services to determine if there were other potential Contractors that could provide the Program services at a more cost-effective price. The Department received proposals from the following two (2) agencies: Home Health Services – WJCS and Mrs. G's Services, LLC. The price proposals review found both Contractors' rate to be in the lower end range of the received price proposals. Therefore, upon analysis, it has been determined that it is in the Department's best interest to renew the agreement with the Contractors based on the following facts: both Contractors have successfully provided the Program services over the past year and have cost effective rates.

For the 2016 Program year, approximately 1,000 hours of service were provided.

Except as specifically amended as described herein, all other terms and conditions set forth in the Agreements shall remain in full force and effect.

Accordingly, approval of the attached resolution is most respectfully recommended.
