Re: **Resolution authorizing the County of Westchester to enter into a License Agreement with the Town of North Castle for continued use of vacant land known as several parcels of Sheet 28, Bronx River Parkway for the operation of a parking lot for the period April 1, 2017 through March 31, 2018 at a license fee of \$32,319**

Authority is requested for the County to enter into a License Agreement with the Town of North Castle, 15 Bedford Road, Armonk, New York (hereinafter the "Licensee") for the continued use of vacant land known as several parcels of Sheet 28, Bronx River Parkway for a term commencing April 1, 2017 and continuing through March 31, 2018. In consideration for the privilege of operating this License, the Licensee agrees to pay the County a license fee of Thirty Two Thousand Three Hundred Nineteen (\$32,319) Dollars.

The area is located on Fisher Lane near the North White Plains Railroad Station and is operated as a commuter parking facility for the residents of the Town.

The public purpose of this agreement is that it encourages the public to use mass transportation which benefits the environment. The ultimate goal of the agreement is to provide revenue to the County. This agreement allows more commuters to use mass transit rather than using personal vehicles which benefits the County by reducing air pollution and traffic in addition to providing revenue to the County. Also it will allow residents to park their cars during non-commuter hours in order to use the trail way in the park, as the Bronx River trail is being re-routed to pass by the entrance to this parking lot.

The program will be tracked and monitored by site inspections.

This agreement is exempt from the Westchester County procurement policy pursuant to Section 3 (b), thereof.

Accordingly, your favorable action on the annexed Resolution is most respectfully urged and recommended.
