Re: Authority to enter into an affiliation agreement with St. Joseph's Hospital for the provision of supervised laboratory/clinical education and instruction for Westchester Community College students.

Westchester Community College (the "College") offers a number of programs in the healthcare field. As part of these programs, the College, in conjunction with various organizations, offers supervised laboratory/clinical education and instruction for College students who are pursuing a degree or certificate in these programs. Attached is a resolution that would authorize the College to enter into an agreement with St. Joseph's Hospital, for the provision of supervised laboratory/clinical education and instruction for Westchester Community College students at St. Vincent's Hospital Westchester, a division of Saint Joseph's, located in Harrison, New York.

The term of the agreement shall be from January 1, 2017 to December 31, 2018. There will be no cost to the College, but the parties will cross indemnify each other for their respective negligence.

I believe that it is in the best interest of the College to provide clinical education and instruction programs; and I therefore, recommend that you act favorably on the annexed proposed resolution.
