Westchester County Executive  
  
Hon. Michael B. Kaplowitz, Chairman  
Westchester County Board of Legislators

Director, Office for Women

**DATE:** February 28, 2017

**SUBJECT:** Authority to enter into an agreement with My Sisters' Place, Inc. to provide counseling services for children who have witnessed or experienced domestic violence, for a term commencing on January 1, 2017 and continuing through December 31, 2017, for an amount not-to-exceed \$30,900

---

The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester, acting by and through its Office for Women, (the "County") to enter into an agreement (the "Agreement") with My Sisters' Place, Inc. ("My Sisters' Place"), pursuant to which My Sisters' Place will provide counseling services for children who have witnessed or experienced domestic violence, for a term commencing on January 1, 2017 and continuing through December 31, 2017, for an amount not-to-exceed \$30,900, payable quarterly pursuant to an approved budget.

The proposed Agreement will serve a public purpose by supporting state-mandated non-residential domestic violence services for victims of abuse. Studies have shown that children exposed to domestic violence are at greater risk for behavioral, social, and emotional problems, cognitive deficiencies, and increased risks as adults for depression and symptoms of trauma, as well as involvement in abusive relationships.

The goal and objective of the proposed Agreement is for My Sisters' Place to provide approximately 25 individual counseling sessions per month for children who have witnessed or experienced domestic violence. During the previous contract term, My Sisters' Place provided an average of 38 individual sessions per month.

The goal and objective of the proposed Agreement is in the best interests of the County in terms of the public health, safety and general welfare, as providing domestic violence related support services for children will reduce the likelihood of problematic emotional and behavioral patterns.

The goal and objective of the proposed Agreement will be tracked and monitored by the Office for Women.

The procurement of the proposed Agreement is exempt from the requirements of the Westchester County Procurement Policy pursuant to Section 3(a)(xviii) thereof, which exempts contracts for the advancement of the moral, physical, mental and social well-being of the youth of Westchester County.

Please be advised that Section 459-c of the New York Social Services Law directs social services districts, such as the County, to offer and provide non-residential services to victims of domestic violence, whether eligible or ineligible for public assistance. Non-residential services programs must have the ability to provide the following services:

- 1.) Information and Referral services;
- 2.) Advocacy;
- 3.) Counseling;
- 4.) Community education and outreach activities; and
- 5.) Hotline services.

Attached for your consideration is a proposed Resolution.
