**SUBJECT:** Authority to enter into an agreement with Legal Services of the Hudson Valley to provide free comprehensive civil legal services to poor and low-income Westchester County residents in New Rochelle, for a term commencing on January 1, 2017 and continuing through December 31, 2017, for an amount not-to-exceed \$41,500

---

The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester, acting by and through its Office for Women, (the "County") to enter into an agreement (the "Agreement") with Legal Services of the Hudson Valley ("LSHV"), pursuant to which LSHV will provide free comprehensive civil legal services to poor and low-income Westchester County residents who reside in New Rochelle or fall within the catchment area served by the New Rochelle Family Court, for a term commencing on January 1, 2017 and continuing through December 31, 2017, for an amount not-to-exceed \$41,500, payable quarterly, pursuant to an approved budget.

The proposed Agreement will serve a public purpose by providing free civil legal services to low-income individuals in New Rochelle who cannot afford representation, ultimately helping them avoid dependency on public assistance. LSHV expects to provide representation in civil matters including, but not limited to, orders of protection, custody, visitation, child and spousal support.

LSHV has successfully provided similar legal services in Mount Vernon and Peekskill under previous County contracts and, beginning in 2014, expanded those services to the underprivileged population in New Rochelle.

The goals and objectives of the proposed Agreement are for LSHV to provide free comprehensive civil legal services for poor and low-income individuals in New Rochelle, including legal information, referrals, advice and counsel, brief services, advocacy, negotiation, and direct representation in litigated court matters and appeals, in approximately 50 new cases. LSHV opened 34 new cases during the previous contract term.

The goals and objectives of the proposed Agreement will be tracked and monitored by the Office for Women.

The procurement of the proposed Agreement is exempt from the requirements of the Westchester County Procurement Policy pursuant to Section 3(a)(xiv) thereof, which exempts contracts with not-for-profit organizations for the purposes of providing aid, care and support to persons in need of public assistance.

Attached for your consideration is a proposed Resolution.
