FROM: Kevin M. McGuire, Commissioner
Department of Social Services

SUBJECT: Resolution authorizing the County of Westchester to exempt an Agreement with the Child Care Council of Westchester, Inc. to provide registration activities for school-age child care providers and registered family day care providers and to conduct mandated investigations, including fingerprinting of the child day care providers and their employees and the processing of complaints registered against child care providers for the period January 1, 2017 through December 31, 2017 pursuant to Section 3(a) xxi of the Westchester County Procurement Policy

We are requesting that authorization be given to the County of Westchester to exempt from the procedures of the County Procurement Policy an Agreement with the Child Care Council of Westchester, Inc. ("CCCW") to provide registration activities for school-age child care providers and registered family day care providers and to conduct mandated investigations, including fingerprinting of the child day care providers and their employees and the processing of complaints registered against child care providers.

The CCCW is the Child Care Resource and Referral agency for Westchester County pursuant to Title 5-B of the Social Services Law. The CCCW is the only Westchester County based agency that is designated and staffed to conduct the required services. The CCCW assists in making safe and affordable day care services available to low income families in the County of Westchester. In order to promote safety, the providers and their employees are fingerprinted by the CCCW and they then undergo a criminal background check. The CCCW also investigates complaints and non-compliance allegations regarding providers.

It is essential that the agency performing these services has an established relationship with the day care providers in this County and an established relationship with the New York State Office of Children and Family Services ("NYS OCFS"). The CCCW has been the provider of the

requested services for a number of years. Their performance is monitored by the NYS OCFS and they are subject to fiscal sanctions should they not achieve state mandates. The CCCW has not received any sanctions as a result of major non-compliance with performance standards. In addition, the CCCW has a long standing relationship with the providers. Their familiarity with and knowledge of the child care provider community allows them to promptly address problems that arise. This knowledge allows them to refer subsidy eligible parents/guardians to the most suitable providers, many of whom, due to state mandates, they have evaluated.

Therefore, pursuant to Section 3(a) xxi, the Westchester County Procurement Policy and Procedures, it is recommended that your Honorable Board determine, by resolution passed prior to commencing the procurement of the CCCW's services that compliance with procedural requirements of the Policy would not be in the best interest of the County.

Accordingly, a resolution to exempt this procurement is hereby submitted for your Honorable Board's consideration. A separate resolution has been submitted requesting authority to enter into this Agreement.

RESOLVED, that the County Executive or his authorized designee is hereby authorized to execute all necessary and appropriate documents to effectuate the purposes hereof.
