Commissioner of Public Works and Transportation

DATE: April 18, 2017

SUBJECT: Resolution for Authority to Advertise
Contract No. 15-561
Boiler System Replacement
Mt. Kisco Office Building
25 Moore Avenue
Mt. Kisco, New York

The 2017 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace heating system boilers and related components including piping, valves, pumps, electrical work, controls and all related work as required. A new natural gas service connection to the building is also included in the project.

The objective of this contract is to upgrade the building boiler system at the Mt. Kisco Office Building.

This contract is in the public's best interest because it will promote the health and safety of the general public by maintaining heating systems within specified parameters.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
