Re: Resolution Authorizing the County of Westchester to enter into Twenty-one (21) Intermunicipal Agreements with Municipalities for Round Trip Prisoner Transportation between the Municipality and the Westchester County Jail for the Term Commencing January 1, 2017 and terminating December 31, 2018 in the annual not to exceed amount of \$642,764 in 2017 and \$662,047 in 2018 for a total aggregate amount not to exceed \$1,304,811.

---

On April 24, 2017, the Westchester County Board of Legislators adopted Act Number 2017 - 65 authorizing the County to enter into twenty-one (21) intermunicipal agreements for the term commencing January 1, 2017 through December 31, 2018, whereby the municipalities will provide round trip transportation for prisoners between the municipalities and the Westchester County Jail in Valhalla, New York. The aggregate of all twenty-one (21) agreements will be in the annual not to exceed amount \$642,764 in 2017 and \$662,047 in 2018 for a total aggregate amount not to exceed \$1,304,811, payable at zone rates ranging between \$202.72 and \$240.16 plus mileage per round trip. In the event round trips exceed three (3) hours in duration; seven or more prisoners are being transported; or a prisoner to be transported is charged with a Class A felony or is classified as an "A" or "AA" prisoner, then the municipality will be reimbursed at the actual hourly wage and fringe benefit cost as determined in the applicable collective bargaining agreement between the municipality and the Municipal Police Association for police officers and/or matrons. In both cases, the mileage will be paid at a flat mileage fee of fifty-three and one half (\$.535) per mile, or the then-current Internal Revenue Service rate, times the distance to the County Jail. The municipality will also be reimbursed for the actual and reasonable costs of prisoner meals.

The public purpose of the proposed agreement is for the County to carry out its duty to transport arraigned prisoners between local courts and the County Jail in order to make mandatory court appearances in a cost effective manner. The goal of maintaining the safety of the public and prisoners while prisoners are transported to and from the County Jail will be tracked and monitored by the Department of Correction through booking records and monthly invoices.

This agreement is exempt from procurement pursuant to §3(a)(iii) of the County Procurement Policy.

The approval of this contract will assure the public safety of County residents and will permit the transportation of prisoners which the County is required to provide pursuant to Section 500-c and 500-d of the Correction Law, at the best rate possible. The proposed agreement is in the best interests of the County and is fiscally responsible, because the cost of acquiring appropriate vehicles and assigning required personnel, to provide such prisoner transportation, would far exceed the cost of this agreement.

A Resolution for your consideration is annexed hereto, which I recommend for your favorable consideration.
