In addition FSSY is a sub-recipient pursuant to the grant agreement and therefore the Common Grant rules do not apply. Finally, the grant agreement with HUD and the sub-recipients agreement with FSSY are not a procurements.

The proposed agreement will serve a **public purpose** by providing housing and supportive services to physically disabled homeless adults.

The goals and objectives of the proposed agreement are to provide safe, accessible and secure permanent supportive housing for 28 physically disabled homeless adults.

The goals and objectives of the proposed agreement are in the best interests of the County in terms of fiscal responsibility, as the proposed agreement will make available to the County the funds necessary to implement the aforementioned program. The goals and objectives of the proposed agreement are also in the best interests of the County in terms of both fiscal responsibility and public health and safety as the programs funded by the proposed agreement will be aimed at ensuring the well-being and safety of the targeted population and addressing the issues of homelessness in the County which can reduce the costs associated with social services provided by the County.

The goals and objectives of the proposed agreement will be tracked and monitored by the Department in accordance with the requirements of HUD. The Department will be required to submit Annual Progress Reports to HUD as a requirement of receiving the funding to be provided under the proposed agreement. These multi-page Annual Progress Reports capture statistical data on those served, the various categories they fall into, the milestones reached, the money expended, etc., which must match the program outlined in the Department’s Technical Submission.

I respectfully recommend your Honorable Board’s approval of the attached Resolution.
