Re: Authority to enter into an agreement with the City of Mount Vernon, pursuant to which the City, acting by and through its Youth Bureau, will provide youth services in the form of four youth programs, for the period from April 1, 2017 through March 31, 2018, for an amount not to exceed \$130,000.00

Authority is requested for the County of Westchester (the "County") to enter into an agreement with the City of Mount Vernon (the "City"), pursuant to which the City, acting by and through its Youth Bureau, will provide its Youth Empowerment Program; Safe Haven (Summer Camp and After-School Program); 'Science, Technology, Engineering and Math' ("STEM") Saturdays; and Step Up Program, for the period from April 1, 2017 through March 31, 2018, for an amount not to exceed One Hundred Thirty Thousand Dollars (\$130,000.00), payable quarterly in accordance with an approved budget.

The proposed agreement will serve a public purpose by providing four programs that will give youth the opportunity to participate in affordable, safe, and constructive activities.

The goals and objectives of the proposed agreement are to provide four programs for youth, and thereby provide the youth with constructive activities in which they can participate in a safe environment. Specifically, the four programs will serve as youth development and juvenile delinquency prevention programs for approximately 175 at-risk County residents, ages 7-21, through academic enrichment; counseling; social, recreational and violence prevention activities; employment readiness training; and job placement, during after school and summer hours.

The goals and objectives of the proposed agreement are in the best interests of the County in terms of safety and security, as the youth who participate in one or more of these programs will be able to enjoy constructive activities in a safe environment, and thereby avoid additional exposure to the urban social problems and high risk factors they might otherwise encounter in their neighborhoods.

The goals and objectives of the proposed agreement will be tracked and monitored by the staff of the Westchester County Youth Bureau.

The County Board of Legislators authorized the proposed agreement on December 8, 2017 by Act No.10507.

This procurement is exempt from the requirements of the County Procurement Policy pursuant to Section 3(a)(xviii) thereof.

I respectfully recommend approval of the attached Resolution.
