Re: Authority to enter into affiliation agreements with healthcare providers for the provision of supervised laboratory/clinical education and instruction for Westchester Community College students.

Westchester Community College (the “College”), through its School of Health Careers, Technologies & Applied Learning, offers a number of programs in the healthcare field. The College offers supervised laboratory/clinical education and instruction for matriculated Westchester Community College students who are pursuing a degree or certificate in conjunction with various organizations. Thus, authority is hereby being sought to enter into the following agreements:

1. Starnet Emergency Services, BBA;
2. White Plains Urgent Care;
3. First Med Associates;
4. Eastchester Volunteer Ambulance Corps;
5. Mobile Lift Support Services, Inc.;, and
6. The Healthy Choice Pharmacy.

The term of the agreements shall be from January 1, 2018 through December 31, 2022. There will be no cost to the College, but in accordance with the agreements, the College shall indemnify and hold the other parties harmless from and against any and all damages, liability, claims, costs, losses, damages or injuries to persons or property of whatever kind or nature, suits or costs, including reasonable attorney’s fees, which arise out of or are directly or indirectly related to the actions or inactions of the College, its Faculty, Students, officers or employees, including, but not limited to, any actions brought against the other parties by any faculty or students of the College, and any third parties, except to the extent that such damages, liability, claims, losses, suits or costs result from the negligence or willful misconduct of other parties.

I believe that it is in the best interest of the College to provide clinical education and instruction programs; and I therefore, recommend that you act favorably on the annexed proposed resolution.
