

**62182**

**TO:** Honorable Members of the Board of Acquisition and Contract

**FROM:** Robin Schlaff  
Director, Office for Women

**DATE:** March 13, 2018

**SUBJECT:** Authority to enter into an agreement with the YWCA of White Plains and Central Westchester to provide child care in the Court House in New Rochelle for an amount not-to-exceed \$30,851 for the period January 1, 2018 to June 30, 2018.

---

The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester, acting by and through its Office for Women (the "County"), to enter into an agreement (the "Agreement") with the YWCA of White Plains and Central Westchester, through its Children's Center (the "YWCA"), to provide child care in the Court House in New Rochelle, for the period January 1, 2018 to June 30, 2018, for an amount not-to- Thirty Thousand Eight Hundred Fifty One (\$30,851) Dollars, to be paid pursuant to an approved budget.

From 2000-2011, the County funded the YMCA of New Rochelle to run this program. However, it was unable to continue to support the program in 2012. The YWCA of White Plains and Central Westchester was chosen to continue this program because it had been successfully providing the same child care services in the Richard A. Daronco Court House in White Plains under County contracts since 1999.

The proposed Agreement will serve a public purpose by offering parents a safe, child-friendly atmosphere to leave their child/children while family law matters are litigated. The purpose is to relieve trauma children may experience from exposure to inappropriate information. Referrals are also provided to families who require additional services.

The goals and objectives of the proposed Agreement are for the YWCA to serve approximately 315 children during the six-month term. In addition, the YWCA expects to maintain contact with at least 35% of families each year to verify whether or not they have received the services needed as a result of the information and referrals which were provided. During the previous contract year, 442 children were served, and 185 referrals were provided to families.

The goals and objectives of the proposed agreement will be tracked and monitored by the Office for Women.

The procurement of the proposed Agreement is exempt from the Westchester County Procurement Policy pursuant to Section 3(a) (xviii), which exempts contracts for the “advancement of the moral, physical, mental and social well being of the youth of Westchester County.”

Attached for your consideration is a proposed Resolution.

APPROVED BOARD OF ACQUISITION & CONTRACT - 05/24/2018 - LISA MRIJAJ, SECRETARY
