DATE: June 4, 2018

TO: Honorable Members of the Board of Acquisition and Contract

FROM: Kevin M. McGuire
Commissioner, Department of Social Services

SUBJECT: Authority for the County of Westchester, by and through its Department of Social Services, to enter into an agreement with Experian Information Solutions, Inc. for the provision of consumer credit reports in an amount not to exceed \$6,000 for the period January 1, 2018 through December 31, 2018 payable according to a fixed price schedule

Authority is requested for the County of Westchester (the "County"), acting by and through its Department of Social Services (the "Department"), to enter into an agreement with Experian Information Solutions, Inc. ("Experian"), pursuant to which Experian will provide consumer credit reports to assist the Department's Office of Child Support Enforcement in tracking persons who are delinquent in child support obligations. The information will be used to bring these persons to court in order to obtain payments and seize assets. The Agreement shall be in an amount not to exceed \$6,000 for the period from January 1, 2018 through December 31, 2018 and payable according to a fixed price schedule (the "Agreement").

In order to enter into the Agreement, Experian has requested that the County "indemnify, defend and hold harmless Experian from and against any and all claims and expenses, including reasonable attorney fees, which may be asserted against or incurred by Experian, based upon the use by County of the Services or other information furnished by Experian for purposes not permitted by law."

The proposed Agreement with Experian is necessary so that the County can comply with New York State legislation that charges the County with the responsibility of tracking those

persons who are delinquent in child support obligations.

The proposed Agreement will serve a public purpose by providing the County with assistance in tracking delinquent child support obligors.

The goals and objectives of the proposed Agreement shall be to provide the County with assistance in tracking delinquent child support obligors and bringing same to court to obtain payments, and seize assets to satisfy these delinquencies.

The goals and objectives of the proposed Agreement are in the County's best interest regarding fiscal responsibility so that child support payments are obtained for children who are entitled to these payments and therefore lessening their dependence on public assistance.

The goals and objectives of the proposed Agreement shall be tracked and monitored by the Department.

In order to comply with the County Procurement Policy, the Department solicited price quotations from service providers: Experian provided the lowest price quotation.

Accordingly, I most respectfully recommend the adoption of the annexed Resolution.
