DATE: September 18, 2018

TO: The Honorable Board of Acquisition and Contract

FROM: Thomas Gleason
Acting Commissioner-Sheriff
Department of Public Safety

RE: **Authority for County of Westchester (the “County”), acting by and through its Department of Public Safety (the “Department”), to enter into an agreement with the State of New York, acting by and through its Division of Criminal Justice Services (“DCJS”), in order to be eligible take part in the United States Department of Defense “LESO” program whereby State and local law enforcement agencies can receive surplus demilitarized equipment for law enforcement activities at no cost to the County.**

Attached for your consideration is a Resolution which, if approved by your Honorable Board, would authorize the County, to enter into an agreement (“Agreement”) with State/DCJS in order for the County to be eligible to benefit from the LESO program as defined below.

The Secretary of Defense is Authorized by 10 USC Section 2576a to transfer to state law enforcement agencies personal property that is excess to the needs of the Department of Defense (“DOD”) that the Secretary determines is suitable for use by the agencies in law enforcement activities, including counterdrug, counterterrorism, and border security activities. This authority is delegated to the Defense Logistics Agency (“DLA”) and is administered by DLA Disposition Services, Law Enforcement Support Office through a program known as the “1033 Program” or the “LESO Program”.

Pursuant to the LESO Program, the State of New York (the “State”), acting by and through its Division of Criminal Justice Services (“DCJS”), entered into an agreement with DLA on or about September, 2016 in order to for the State to avail itself of this program. The proposed Agreement, if authorized by Your Honorable Board, will allow the County to avail itself of the program as well.

The Agreement will create no entitlement for the County to receive DOD property but will qualify the County to receive DOD property as an authorized LESO program participant. Once the Agreement is executed, the County will be eligible to request and receive, at no cost, demilitarized equipment which covers a wide spectrum of items used by the United States military including, but not limited to, clothing, furniture, office supplies, tools, medical and rescue equipment, and vehicles. Any request by the County for such equipment must be made by the Department upon 30 days advance notice to the County Executive and Board of Legislators.

Once equipment is transferred, LESO retains title or ownership of the property and retains the right to recall it at any time. However, ownership and title to certain specified equipment will transfer to the County after one year from the date it was shipped to the Department.

The proposed Agreement will contain an indemnification clause as follows (The County is referred to as the LEA):

“The State and the LEA is required to maintain adequate insurance to cover damages or injuries to persons or property relating to the use of property issued under the LESO program. Self-insurance by the State/LEA is considered acceptable. The U.S. Government assumes no liability for damage or injuries to any person(s) or property arising from the use of property issued under the LESO program. It is recognized that the State and local law generally limit or preclude State Coordinators / LEAs from agreeing to open-ended indemnity provisions. However, to the extent permitted by State and local laws, the State and LEA shall indemnify and hold the U.S. Government harmless, and in turn the LEA shall indemnify and hold the State harmless, without limitation, from any and all actions arising out of, claimed on account of, or in any manner predicated upon loss or, or damage to property and injuries, illness or disabilities to or death of any and all persons whatsoever, including members of the general public, or to the property of any legal or political entity including states, local and interstate bodies, in any manner caused by or contributed to by its respective agents, servants, employees, or any person subject to its control while the property is in the possession of, used by, or subject to the control of the respective parties, its agents, servants, or employees after the property has been removed from U.S. Government control.”

The proposed Agreement is in the public’s best interest and will promote the safety and general welfare of the public by providing the Department with equipment at no cost which will enhance the Department’s ability to carry out its mission. The goals and objectives of this program are the enhancement of the public safety and security of the County’s residents, and said goals and objectives will be monitored by Department staff.

The Agreement is not procurement. Therefore, the terms of the County’s Procurement Policy do not apply.

Accordingly, authority is respectfully requested for the County to enter into this Agreement in accordance with the attached Resolution.

RESOLUTION

Upon a communication from the Acting Commissioner of Public Safety, it is hereby

RESOLVED, that authority is hereby granted to the County of Westchester (the "County"), acting by and through its Department of Public Safety (the "Department"), to enter into an agreement ("Agreement") with New York State, in order for the County to be eligible to benefit from the Law Enforcement Support Office ("LESO") program whereby the County can receive, at no cost, surplus demilitarized equipment for law enforcement noting that any request by the County for such equipment must be made by the Department upon 30 days advance notice to the County Executive and Board of Legislators; and be it further

RESOLVED, that the Agreement shall contain the following provision:

"The State and the LEA is required to maintain adequate insurance to cover damages or injuries to persons or property relating to the use of property issued under the LESO program. Self-insurance by the State/LEA is considered acceptable. The U.S. Government assumes no liability for damage or injuries to any person(s) or property arising from the use of property issued under the LESO program. It is recognized that the State and local law generally limit or preclude State Coordinators / LEAs from agreeing to open-ended indemnity provisions. However, to the extent permitted by State and local laws, the State and LEA shall indemnify and hold the U.S. Government harmless, and in turn the LEA shall indemnify and hold the State harmless, without limitation, from any and all actions arising out of, claimed on account of, or in any manner predicated upon loss or, or damage to property and injuries, illness or disabilities to or death of any and all persons whatsoever, including members of the general public, or to the property of any legal or political entity including states, local and interstate bodies, in any manner caused by or contributed to by its respective agents, servants, employees, or any person subject to its control while the property is in the possession of, used by, or subject to the control of the respective parties, its agents, servants, or employees after the property has been removed from U.S. Government control."; and be it further

RESOLVED, that the County Executive or his duly authorized designee is authorized and empowered to execute and deliver all instruments and take all actions necessary or appropriate to effectuate the purposes hereof.
