Each of these fifty-one (51) training providers is required to be on the New York State Eligible Training Provider List, and each was selected based upon their expertise and experience in providing the necessary training services. The selected training providers will be given

referrals on an as-needed basis, with the training providers paid based upon catalogued tuition prices. It should be noted that, accordingly, there is no set dollar amount for each individual training provider contract.

The services to be provided pursuant to the proposed agreements will serve a public purpose by promoting financial assistance to WIOA-eligible adult, dislocated workers, and youth in Westchester County to improve and/or enhance their job skills in order to enable them to secure jobs.

The goal and objective of the proposed agreements is to provide an array of eligible occupational skills training programs from which eligible WIOA customers may choose vocational skills training based on each customer's choice, employment goals and evidence of related job opportunities that pay high wages. It is anticipated that by the end of the term of the agreements, at least 80% of WIOA-eligible customers will have successfully completed training and obtained a credential and that at least 80% of WIOA-eligible customers will have found employment.

The goal and objective of the proposed agreements is in the best interests of the County in terms of fiscal responsibility, as the services and resources developed through these agreements will help participating adult, dislocated workers, and youth gain needed skill sets that will better prepare them to find competitive employment creating a financial impact that may be measured in terms of income generated through employment as a result of the training.

The goal and objective of the proposed agreements will be tracked and monitored through the monthly progress reports submitted by the training providers, program staff and through a review of customer data including services and outcomes in the New York State Department of Labor One Stop Operating System.

The proposed agreements are exempt from the Westchester County Procurement Policy pursuant to section 3(a)(xi) thereof.

I respectfully recommend the adoption of the attached Resolution.
