The CHI Capacity Amendment was subsequently executed.

By a resolution approved on March 8, 2018, your Honorable Board authorized the County to exercise its first one-year option under the Westhab Agreement; the CHI Agreement, as amended by the CHI Capacity Amendment (the “CHI Amended Agreement”); and the IFCA Agreement, and therefore amend each of the agreements by, 1.) extending its term by one (1) year, to a new termination date of December 31, 2018; 2.) increasing its not-to-exceed amount by the amount shown below, to the new total amount shown below, to pay for services during the first Option Term, which would be payable as specified in each of the agreements for the first Option Term; and 3.) reflecting the fact that the County would have three (3) remaining one (1) year options under each of the agreements (collectively, the “First Option Amendments”):

Each of the First Option Amendments was subsequently executed.

By a resolution approved on August 30, 2018, your Honorable Board authorized the County to amend the IFCA Agreement, as amended as part of the First Option Amendments, in accordance with the existing terms of the IFCA Agreement, as amended, regarding changing capacity requirements of the County for the applicable Zone during the term of the agreement, (the "IFCA Capacity Amendment") by, 1.) modifying the agreement's scope of services to require six (6) additional emergency housing units in the Zone, all of which will be in the Peekskill School District part of the Zone, 2.) increasing the agreement's specified annual not-to-exceed amounts, as specified below, to account for the costs of these additional services during the remaining portion of the first Option Term and during the future Option Terms provided for under the agreement, and 3.) modifying the agreement's specified annual budgets to account for and specify the costs of these additional services:

The IFCA Capacity Amendment was subsequently executed.

By a resolution approved on December 13, 2018, your Honorable Board authorized the County to exercise its second one-year option under the Westhab Agreement; the CHI Agreement, as amended by the CHI Capacity Amendment (the "CHI Amended Agreement"); and the IFCA Agreement, as amended by the IFCA Capacity Amendment (the "IFCA Amended Agreement") (collectively, the "Current Agreements") and therefore amend each of the Current Agreements by, 1.) extending its term by one (1) year, to a new termination date of December 31, 2019; 2.) increasing its not-to-exceed amount by the amount shown below, to the new total amount shown below, to pay for services during the second Option Term, which would be payable as specified in each of the Current Agreements for the second Option Term; and 3.) reflecting the fact that the County would have two (2) remaining one (1) year options under each of the Current Agreements (collectively, the "Second Option Amendments"):

<u>Agreement</u>	<u>Increase in Not-To-Exceed Amount for the second Option Term</u>	<u>New Total Not-To-Exceed Amount</u>
1.) Westhab Agreement	\$4,195,143.00	\$12,280,967.00
2.) CHI Amended Agreement	\$2,655,183.00	\$ 7,674,041.00
3.) IFCA Amended Agreement	\$ 852,739.00	\$ 2,049,106.00

Each of the Second Option Amendments was subsequently executed.

The County continues to require an Emergency Housing Assistance Program, as described above, in each Zone specified above. Therefore, DSS reviewed and analyzed the costs in each of the Current Agreements for the third Option Term of each of the Current Agreements, in order to ensure that they were reasonable. As part of that analysis, DSS analyzed both the costs of the housing units and the costs of the related housing services provided under each of the Current Agreements.

DSS determined that the average cost for each housing unit in 2020 under each of the Current Agreements is roughly in line with the \$1,641 “Fair Market Rent” published by the United States Department of Housing and Urban Development for a one bedroom unit in Westchester County in 2020.

DSS found that the average cost of the related housing services per housing unit in 2020 under each of the Current Agreements is higher than most other DSS contracts that involve broadly similar services, but that the costs are reasonable given the particular services involved in the Current Agreements.

Accordingly, DSS’s overall analysis found that the costs comprising the not-to-exceed amount specified above for the third Option Term of each of the Current Agreements are reasonable.

Accordingly, the County respectfully requests authority from your Honorable Board to exercise its third one-year option under each of the Current Agreements and therefore amend each of the Current Agreements by, 1.) extending its term by one (1) year, to a new termination date of December 31, 2020; 2.) increasing its not-to-exceed amount by the amount shown below, to the new total amount shown below, to pay for services during the third Option Term, which will be payable as specified in each of the Current Agreements for the third Option Term; and 3.) reflecting the fact that the County will have one (1) remaining (1) year option under each of the Current Agreements (collectively, the “Third Option Amendments”):

<u>Agreement</u>	<u>Increase in Not-To-Exceed Amount for the third Option Term</u>	<u>New Total Not-To-Exceed Amount</u>
1.) Westhab Agreement	\$4,300,022.00	\$16,580,989.00
2.) CHI Amended Agreement	\$2,732,660.00	\$10,406,701.00
3.) IFCA Amended Agreement	\$ 880,998.00	\$ 2,930,104.00

Except as specifically described above, all terms and conditions of each of the Current Agreements shall remain in full force and effect.

The proposed Third Option Amendments will serve a public purpose by continuing to provide the County with an Emergency Housing Assistance Program for each Zone for customers deemed eligible for temporary housing assistance by DSS.

The goal and objective of the proposed Third Option Amendments is to continue to provide the County with an Emergency Housing Assistance Program for each Zone for customers deemed eligible for temporary housing assistance by DSS.

The goal and objective of the proposed Third Option Amendments is in the best interests of the County in terms of public health and safety, as the County continuing to have an Emergency Housing Assistance Program for each Zone for customers deemed eligible for temporary housing assistance by DSS will ultimately help ensure the health and safety of such persons.

The goals and objectives of the proposed Third Option Amendments will be tracked and monitored by the staff of DSS.

I respectfully recommend the adoption of the attached Resolution.
