TO: Board of Acquisition and Contract

FROM: Hugh J. Greechan, Jr., P.E.
Commissioner of Public Works and Transportation

DATE: November 26, 2019

SUBJECT: Resolution for Authority to Advertise
Contract No. 17-517
Replacement of Heating Units and Ventilation Fans
Central Maintenance Facility
Yonkers, New York

The 2020 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace existing constant volume type heating and ventilating units with new variable air volume type energy recovery units. This contract will also replace existing relief air propeller fans and louvers, along with providing new carbon monoxide, nitrogen oxide and static pressure sensors and upgrading of the existing BMS system to incorporate all new and existing equipment.

In accordance with Chapter 635 of the Laws of Westchester County, the Department of Public Works and Transportation has evaluated the needs of this project and determined that a Project Labor Agreement (PLA) will benefit and enhance the interests of the County in the timely and efficient completion of the project. The Contractor to whom this contract is awarded will be required to execute a PLA.

The objective of this contract is to upgrade heating units and ventilation systems at the Central Maintenance Facility.

This contract is in the public's best interest because it will promote the health and safety of the general public by maintaining heating and ventilation systems within specified parameters.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
