RE: Request for authority to enter into Agreements with two (2) agencies listed in the attached Schedule to provide social adult day services to persons 60 years or older, residing in Westchester County, who are isolated because of physical and/or cognitive limitations under the Expanded In-Home Services for the Elderly Program for the period commencing on April 1, 2020 and terminating March 31, 2021, in a total aggregate amount not-to-exceed \$287,708, comprised of \$215,780 in State funds and \$71,928 in County tax dollars.

The County of Westchester (the "County"), acting by and through its Department of Senior Programs & Services (the "Department"), seeks the authority of your Honorable Board to enter into agreements (the "Agreements") with the two (2) agencies (the "Agencies" also the "Contractors") listed in the attached Schedule "A" for the purpose of providing social adult day services to persons 60 years or older, residing in Westchester County, who are isolated because of physical and/or cognitive limitations, under the Expanded In-Home Services for the Elderly Program ("EISEP"). State funding for EISEP for the term beginning on April 1, 2020 and continuing through March 31, 2021 shall be for an aggregate amount not-to exceed \$287,708, comprised of \$215,780 in State funds and \$71,928 in County tax dollars in the individual amounts set forth in the attached Schedule "A", payable pursuant to the rate also set forth in Schedule "A" for actual services provided.

The proposed Agreements will serve a public purpose by providing supportive services to help maintain Westchester County seniors in the community and avoid premature institutionalization. These funds help provide the support that enables these caregivers to continue to provide the assistance the elderly need to help them remain in the community and out of more expensive and less desired nursing home environments.

The goals and objectives of the Program are to provide caregivers of seniors with respite from their caregiving responsibilities which would allow more seniors to remain at home, thus preventing institutionalization.

The goals and objectives of the Program are in the best interests of Westchester County in terms of fiscal responsibility because they effectively allow seniors to remain at home, thus preventing costly institutionalization.

The goals and objectives of the Program will be tracked and monitored on an on- going basis through monthly reports and an annual on-site visit by Department staff.

The Agreement with the Contractor is exempt from the Westchester County Procurement Policy pursuant to Section 3(a) xix thereof.

Accordingly, I recommend adoption of the proposed resolution
