TO: Board of Acquisition and Contract
FROM: Hugh J. Greechan, Jr., PE
Commissioner of Public Works and Transportation
DATE: June 23, 2020
SUBJECT: Authority for the County of Westchester, acting by and through its Department of Public Works and Transportation (the "Department"), to execute an agreement consenting to the assignment of Agreement No. 19-912 with Woodard & Curran Engineering P.A. P.C. to Woodard & Curran Engineering and Geological Services, P.A. P.C.

Pursuant to a Resolution approved on August 29, 2019, the County of Westchester ("County") entered into Agreement No. 19-912 ("Agreement") with Woodard & Curran Engineering P.A. P.C. ("Consultant"), 800 Westchester Avenue, Suite N-507, Rye Brook, New York 10573, commencing on September 11, 2019, wherein the Consultant was to provide engineering services associated with Manursing Lake Tide Gate Improvements, Playland Park, Rye, New York. The Agreement was thereafter amended by Resolution approved February 20, 2020 ("First Amendment"), for additional engineering services associated with Manursing Lake Tide Gate Improvements, Playland Park, Rye, New York. The Agreement expires on December 31, 2022.

The Department was notified by e-mail received on June 17, 2020 that Woodard & Curran Engineering P.A. P.C. has changed its name to Woodard & Curran Engineering and Geological Services, P.A. P.C. in order to comply with requirements in New York State with respect to the practice of geology. The Department has been notified that Woodard & Curran Engineering and Geological Services, P.A. P.C. is the successor firm to Woodard & Curran Engineering P.A. P.C. In this regard, Woodard & Curran Engineering P.A. P.C. has requested that the County approve the assignment of Agreement No. 19-912 to Woodard & Curran Engineering and Geological Services, P.A. P.C. Therefore, Woodard & Curran Engineering and Geological Services, P.A. P.C. would assume all of the rights and obligations under Agreement No. 19-912. In addition, the same principals and staff shall be assigned to complete the work, thus guaranteeing continuity to the project.

The attached Resolution, if approved by your Honorable Board, would authorize the County to execute an agreement consenting to the assignment of Agreement No. 19-912 from Woodard & Curran Engineering P.A. P.C. to Woodard & Curran Engineering and Geological Services, P.A. P.C., 800 Westchester Avenue, Suite N-507, Rye Brook, New York 10573, effective as of the date of execution of the assignment.

The objective of this assignment is in the County's best interest as it will provide for uninterrupted consulting services pursuant to Agreement No. 19-912 for the Department project contained therein.

The Department shall continue to track scheduling and accomplishments by the Consultant and perform on-site inspections to ensure the successful completion of this project.

The proposed form of Resolution to accomplish the foregoing is attached hereto.
