of the targeted population by providing emergency housing and supportive services for vulnerable single women recently released from prison. Housing these single women will reduce their risk of becoming victims of crime and developing general health related issues that result from inappropriate shelter. The Awakenings Program also provides linkages to other programs that will address the medical and mental health needs of these women until permanent housing is secured.

The goals and objectives will be tracked and monitored through performance measurement indicators developed by the Department. The tracking and monitoring include the submission of monthly statistics and quarterly reports as well as direct contact in order to swiftly address any impediments to the program's success.

The **Department is able to report** that during the 2019 contract term, the Young Women's Christian Association of White Plains and Central Westchester, Inc., Awakenings Program achieved the following outcomes :

- Average Length of Stay for all participants: 365 days
- Total unduplicated served: 12

This contract is exempt from procurement pursuant to the Westchester County Procurement Policy Section 3(a) (xiv), which exempts contracts with not-for-profit organizations for the purposes of providing aid, care and support to persons in need of public assistance.
