TO: Board of Acquisition and Contract

FROM: Hugh J. Greechan, Jr., P.E.
Commissioner of Public Works and Transportation

DATE: September 22, 2020

SUBJECT: Resolution for Authority to Advertise
Contract No. **18-511**
Replacement of Body Shop/Paint Booth Air Control System
and Sanding Vacuum System
Central Maintenance Facility
Yonkers, New York

The 2020 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace the existing body shop sanding vacuum system, the paint booth supply and exhaust fans and the paint booth breathing air system at the Central Maintenance Facility. The project also includes all associated mechanical, electrical and control system upgrades.

In accordance with Chapter 635 of the Laws of Westchester County, the Department of Public Works and Transportation has evaluated the needs of this project and determined that a Project Labor Agreement (PLA) will benefit and enhance the interests of the County in the timely and efficient completion of the project. The Contractor to whom this contract is awarded will be required to execute a PLA.

The objective of this contract is to provide body shop and paint booth air systems that meet all current codes and standards.

This contract is in the public's best interest because it will promote the health and safety of the general public by ensuring that the Central Maintenance Facility can continue to safely maintain the County's bus fleet.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
