SUBJECT: Resolution for Authority to Advertise
Contract No. 20-534
Kemeys Cove Force Main Rehabilitation
Phase 1 – Interim Repair
Ossining Sanitary Sewer District
Village of Ossining, New York

The 2021 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to rehabilitate the Kemeys Cove Force Main Rehabilitation in the Ossining Sanitary Sewer District in the Village of Ossining, New York. This work provides all necessary labor, material and equipment required to rehabilitate approximately 420 linear feet of the existing Kemeys Cove Force Main from the Kemeys Cove Pumping Station along Kemeys Avenue to the intersection of Kemeys Avenue and Revolutionary Road. Rehabilitation will include the direct replacement of the approximately 40 linear feet of existing 10” cast iron pipe with new 10” ductile iron pipe and the cured-in-place lining of approximately 380 linear feet of existing 10” cast iron pipe. The work will include temporary installation of bypass piping and pumping equipment to maintain sewage flows around the work area. New valves and fittings will be installed to facilitate future force main construction and repair while maintaining pumping operations. Site restoration including paving and repair of grassed surfaces.

The objective of this contract is to respond to a New York State Department of Environmental Conservation Notice of Violation by performing an interim repair of the existing Kemeys Cove Force Main by direct replacement and cured-in-place lining to stabilize the condition of the force main and prevent any break or discharge of sewage until such time as a permanent repair or replacement can be implemented.

This contract will benefit the public as it will ensure that the operations are safe and environmentally compliant, thereby enhancing the health and general welfare of the residents of Westchester County.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
