Re: Resolution to exempt from the Westchester County Procurement Policy and Procedures pursuant to Section 3(a)(xxi) thereof, the procurement of an agreement with SRI International to perform a supply chain analysis of the biotechnology industry in Westchester County, combined with strategies and tactics for its growth in the future, for a term from April 1, 2021 through December 31, 2021, for an amount not-to-exceed \$68,000.00, payable pursuant to an approved budget.

---

Authority of your Honorable Board is requested to exempt from the Westchester County Procurement Policy and Procedures (“Procurement Policy”) the procurement of an agreement with SRI International to perform a supply chain analysis of the biotechnology industry in Westchester County, combined with strategies and tactics for its growth in the future, for a term from April 1, 2021 through December 31, 2021, for an amount not-to-exceed \$68,000.00, payable pursuant to an approved budget.

SRI is uniquely qualified to provide this service as they played a key role in the development of the Economic Development Strategy, Recovery & Implementation Plan. They worked in 2020 with the Office of Economic Development to design the strategy and have insight into the process that another provider would not be able to offer. Their past experience in analyzing the County’s needs

Pursuant to Section 3(a)(xxi), the Procurement Policy is not applicable to any procurement for which your Honorable Board determines, by Resolution passed prior to commencing such procurement, that compliance with the policy would not be in the best interest of the County. It is proposed that the County’s interest would be served by exempting the procurement of this agreement from the County Procurement Policy. A Resolution to exempt the procurement of this agreement is submitted for your consideration.

As I believe this agreement to be in the best interests of the County, I most respectfully recommend and urge the adoption of the annexed Resolution.
