TO: Board of Acquisition and Contract

FROM: Hugh J. Greechan, Jr., P.E.
Commissioner of Public Works and Transportation

DATE: May 14, 2021

SUBJECT: Resolution for Authority to Advertise
Contract No. 21-507
Roof Replacement Program
Yonkers Joint Water Resource Recovery Facility
Yonkers, New York

The 2021 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for the full roofing system replacement and select structural modifications to select buildings at the Yonkers Joint Water Resource Recovery Facility including the Dissolved Air Floatation (DAF) Building, Blower Building, Administration Building, Dewatering Building, Truck Loading Platform, and Primary Access Buildings 1, 2 and 3. Work involved will address the replacement of all building roofing systems, resetting or replacement of coping stones, caulking of vertical joints, installation of safety railings, walking pads, brick repointing, repair or replacement of expansion joints and other related work as necessary at all buildings noted above.

The objective of this contract is to prevent leakage and water infiltration of the existing roofing systems as the building roofs have reached the end of their useful life and require replacement.

This contract will benefit the public as it will ensure that the facility's operations are safe and environmentally compliant, thereby enhancing the health and general welfare of the residents of Westchester County.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
