TO: Board of Acquisition and Contract

FROM: Hugh J. Greechan, Jr., P.E.
Commissioner of Public Works and Transportation

DATE: May 20, 2021

SUBJECT: Resolution for Authority to Advertise
Contract No. 16-512
Secondary System Rehabilitation
Yonkers Joint Wastewater Treatment Plant
Yonkers, New York

The 2021 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to replace, rehabilitate and/or upgrade the secondary system process equipment and related controls at the Yonkers Joint Wastewater Treatment Plant. This project will include work on the various plant processes, including but not limited to, the secondary plant water, plant effluent water, high pressure wash-down, secondary compressed air, process air header, tank canopy and fire suppression systems. Work will also include mechanical and electrical controls, plumbing and any other ancillary equipment or work as required.

In accordance with Chapter 635 of the Laws of Westchester County, the Department of Public Works and Transportation has evaluated the needs of this project and determined that a Project Labor Agreement (PLA) will benefit and enhance the interests of the County in the timely and efficient completion of the project. The Contractor to whom this contract is awarded will be required to execute a PLA.

The objective of this contract is to replace, rehabilitate and/or upgrade the existing secondary process systems and equipment which have reached the end of their useful life and require replacement. It will allow for an enhanced and more efficient Secondary Treatment Process to continue to meet required Permit Limits.

This contract will benefit the public as it will ensure that the facility's operations are safe and environmentally compliant, thereby enhancing the health and general welfare of the residents of Westchester County.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.
