TO: Board of Acquisition and Contract

FROM: Norma V. Drummond  
Commissioner of Planning

SUBJECT: Resolution authorizing an amendment to the agreement between the County of Westchester and The Watershed Company to develop plans and specifications for the design and placement of educational or interpretive signs and a kiosk that will inform the public about the environmental and ecological features of Croton Point Park (the "Project") in order to change the expiration date from June 30, 2021 to June 30, 2022

On July 3, 2019, your Honorable Board approved a resolution that authorized the County of Westchester to enter into an agreement with The Watershed Company, to develop plans and specifications for the design and placement of educational or interpretive signs and a kiosk that will inform the public about the environmental and ecological features of Croton Point Park.

The parties now desire to amend the agreement in order to change the expiration date from June 30, 2021 to June 30, 2022. The additional time is needed as The Watershed Company was unable to travel during the COVID-19 Pandemic. As a result of the travel restriction, implementation of the Project had significant delays.

The goal and objective of this agreement is to provide long-term environmental educational methodologies that will educate residents about the natural environment of the Park. The Planning Department will monitor the Project to ensure all contractual requirements are met.

I recommend approval of this Amendment.
