To: Honorable Board of Acquisition and Contract

From: Hugh J. Greechan, Jr., P.E.
Commissioner of Public Works and Transportation

Marguerite Beirne
Chief Information Officer

Re: Authority to amend an agreement (DOTCAP03-19) with Conduent Transport Solutions, Inc. to provide a system integration of Conduent's CAD/AVL system to the Bee Line Bus radio system, in order to provide a no-cost extension from January 1, 2021 through December 31, 2023.

Authority was granted by the Board of Acquisition and Contract on October 3, 2019 for the County of Westchester ("County") to enter into an agreement with Conduent Transport Solutions, Inc. ("Conduent") to provide the system integration of the County's new radio system with Conduent's CAD-AVL system for a term from September 11, 2019 through December 31, 2020, for an amount not to exceed \$1,300,000.00 payable pursuant to an approved budget and subject to County appropriations. A no-cost extension of the agreement from January 1, 2021 to December 31, 2023 is requested at this time. All remaining provisions of the agreement shall remain unchanged.

As background, the County's Department of Information Technology ("DoIT") is undertaking a mission-critical project to replace the countywide radio systems. The Bee-Line Bus communications system is integrated with that current system. The radio frequency utilized for Computer Aided Dispatch ("CAD") and Automated Vehicle Location ("AVL") systems must be vacated by May 1, 2020 to complete the County's radio systems project on time. This upgrade is also necessary to maintain communications of the CAD/AVL system with the bus fleet by utilizing the new radio frequency.

Except as specifically amended hereby, all remaining provisions of the agreement shall remain unchanged.

The radio system serving the Bee Line Bus requires the proposed system integration in order to maintain communications of the CAD/AVL system with the bus fleet by utilizing the new radio frequency. The consultant requires additional time to complete the services.

Approval of the attached Resolution by your Honorable Board is respectfully requested.
