To: Honorable Members of the Board of Acquisition and Contract

From: Honorable George Latimer
Westchester County Executive

Date: January 31, 2022

Subject: Authority to enter into an agreement with United Way of Westchester and Putnam, Inc. to operate the Hudson Valley Region 211 Call Center, for the period January 1, 2022 to December 31, 2022, for an amount not to exceed \$102,000.00.

The attached Resolution, if approved by your Honorable Board, would authorize the County of Westchester (the "County") to enter into an agreement (the "Agreement") with United Way of Westchester and Putnam, Inc. ("UWWP") pursuant to which UWWP will operate the Hudson Valley Region 211 Call Center (the "Call Center") to provide free information and referral services to Westchester County residents, for a term commencing January 1, 2022 and continuing through December 31, 2022, for an amount not to exceed \$102,000.00, to be paid quarterly pursuant to an approved budget.

Operational since September of 2005, the Call Center allows the approximately two million residents of Westchester, Rockland, Putnam, Orange, Ulster and Dutchess counties to make a free 211 call, 9 a.m. to 7 p.m. seven days a week, 365 days a year, to obtain information and, if necessary, immediate telephone transfer to the appropriate County department. The other counties also enter into agreements with UWWP for the operation of the Call Center. Information and referrals are provided for questions regarding basic needs, legal, health, mental health, income security, education, consumer and environmental quality.

The proposed Agreement will serve a public purpose by facilitating residents' access to critical services that will improve their quality of life. Access to the Call Center will allow for a more efficient use of County resources by encouraging public referrals to relevant County departments before an emergency situation arises thereby avoiding a possible emergency response by law enforcement or other departments.

The following are UWWP's goals and objectives under the proposed Agreement.

- Identify the types of calls received based on aggregated data in order to assist the County to anticipate demand for services and mobilize resources to meet changing needs.

- Call specialists will capture accurate data on caller demographics, area of expressed need, and referrals made or info given.
- UWWP will meet with the County for review of progress and to generate ideas for additional efficiencies as requested or needed.
- Enable more County departments to use the Call Center in their outreach and information activities.
 - UWWP will implement new initiatives with the County.

The goals and objectives of the proposed Agreement will be tracked and monitored by the County Executive's Office.

Authority to exempt the procurement of the proposed Agreement from the requirements of the Westchester County Procurement Policy pursuant to Section 3(a)(xxi) thereof has been granted by your Honorable Board pursuant to a separate resolution submitted on even date herewith.

Attached for your consideration is a proposed Resolution.
