SUBJECT: Request Authority to Obtain a Proposal and Negotiate a Fee with KG+D Architects, P.C., in connection with Architectural and Engineering Services for Merestead Farm House Restoration, Towns of Bedford and New Castle, New York (#22-915)

Authority of your Honorable Board is requested to obtain a proposal and to negotiate a fee in connection with architectural and engineering services for Merestead Farm House Restoration, Towns of Bedford and New Castle, New York.

The objective of this project will be to restore Merestead Farm House which has deteriorated over the years and requires rehabilitation at this time. The restoration to the farm house and attached addition includes exterior and interior repairs, reconstruction of the front porch, kitchen and bathroom renovation, new plumbing, mechanical and electrical infrastructure. Merestead is listed on the National Register of Historic Properties. Therefore, proposed restoration work shall be done in accordance with the United States Secretary of the Interior's Standards for the Treatment of Historic Properties. The design documents prepared by the consultant for this project shall be reviewed for historic conformance by the New York State Historic Preservation Office ("SHPO") and the Westchester County Department of Planning. This agreement will benefit the public as it will provide a fully functional facility ensuring its safe use and enjoyment by visitors.

On April 12, 2022, the Professional Prequalification Board was canvassed for the purpose of generating an eligible list of qualified firms to provide architectural and engineering services for this project. The Professional Prequalification Board approved a list of seven (7) qualified firms. As the fee is estimated to be less than \$250,000, on April 20, 2022 the Professional Selection Board reviewed this eligible list of qualified firms and selected the best three qualified firms to possibly perform said services. The three firms were:

1. KG+D Architects, P.C.
285 Main Street
Mount Kisco, New York 10549
2. Stephen Tilly, Architect
22 Elm Street
Dobbs Ferry, New York 10522
3. DCAK – MSA Architecture and Engineering, P.C.
520 White Plains Road, Suite 500

After careful consideration, the Professional Selection Board ranked the firm of KG+D Architects, P.C., as the number one firm suitable for this proposal for these professional services. Authorization to enter into an Agreement will be submitted to your Honorable Board when negotiations are satisfactorily completed. This selection process followed the requirements as outlined in the Rules of the Professional Prequalification and Selection Boards and the Laws of Westchester County.
