**RE:** Request for authority for the County of Westchester to enter into Agreements with the Westchester Jewish Community Services, Inc. and the Young Women's Christian Association of Yonkers to administer nutrition and nutrition-related programs for the elderly pursuant to Titles IIIC-1, IIIC-2 and NSIP of the Older Americans Act in an aggregate amount not-to-exceed \$36,800, for the program period commencing on January 1, 2022 and continuing through December 31, 2022, noting that program period for NSIP shall commence retroactive to October 1, 2021 and continue through September 30, 2022.

---

The County of Westchester, acting by and through its Department of Senior Programs and Services (the "Department"), seeks authority from your Honorable Board to enter into agreements (the "Agreements") with the Westchester Jewish Community Services, Inc. ("WJCS") and the Young Women's Christian Association of Yonkers ("YWCA of Yonkers") collectively (the "Contractors"), to administer nutrition and nutrition-related programs (the "Programs") for the elderly pursuant to Titles IIIC-1, IIIC-2 and NSIP of the Older Americans Act. Federal funding for the Programs shall be for a total aggregate amount not-to-exceed \$36,800 in the individual amounts set forth in the attached Schedule "A" for the program period commencing on January 1, 2022 and continuing through December 31, 2022, noting that program period for NSIP shall commence retroactive to October 1, 2021 and continue through September 30, 2022. The Contractors are required to contribute an aggregate amount not to exceed \$10,415 to the III-C Programs in the individual amounts also set forth in the attached Schedule "A."

With regard to the distribution of NSIP funding, the Agreements with the Contractors will provide that the Department will be authorized to distribute such funding 1) contingent upon its receiving further State approval; and 2) by providing the Contractors with written confirmation that the State has authorized the distribution of such funds, without the need for the subcontractor to execute a supplemental agreement. This practice was approved by your Honorable Board in 2010 to avoid the administrative difficulties involved in distributing NSIP funds prior to the State-imposed deadline.

The NYSOFA Agreement and the Agreement with the Contractors will serve a public purpose by providing needed nutrition programs to elderly residents of the County, thus preventing malnutrition and improving their overall health.

The goals and objectives of the nutrition programs under Titles IIIC-1, IIIC-2 and NSIP of the Older Americans Act are to service seniors who are 60 years of age or older looking to satisfy the basic need for food, nutrition and socialization. The home-delivered meals program specifically aims to maintain or improve the wellbeing of those seniors who are at increased nutritional risk.

The goals and objectives are in the best interests of the County in terms of public health by providing needed nutrition programs to elderly residents of the County who are most vulnerable to suffering from malnutrition.

The goals and objectives will be tracked, monitored and evaluated by the Department's Nutrition, Health and Wellness Unit, to ensure compliance with Federal, State and County Regulations. On-site monitoring, subcontractor monthly report reviews and contract meal performance management will be completed by assigned nutrition staff. On-site reviews will be conducted bi-annually by nutrition staff and annually by the State Office for the Aging.

The Agreements with the Contractors for provision of the Programs are exempt from the County Procurement Policy pursuant to Section 3(a) xix thereof which exempts contracts for direct services to senior citizens. In addition, the Agreements with the Contractors constitute non-competitive procurements under the Federal procurement regulations in accordance with 2 CFR§ 200.320 (c)(2), in that due to the nature and extent of the services being provided by the Contractor, that these services are only available from those single sources.

Accordingly, I most respectfully recommend adoption of the attached proposed resolution.
