Re: **Resolution authorizing the County of Westchester to enter into an agreement with the Westchester County Local Development Corporation for a one (1) year period commencing January 1, 2022 wherein the Westchester County Local Development Corporation shall pay to the County of Westchester an amount not to exceed \$325,633 for office space, personnel and support services**

The Westchester County Local Development Corporation (“LDC”) was formed to address the need for assistance to Non-Profit Organizations in Westchester County and region and to work towards maintaining the economic vitality of Westchester County through enabling the organization to further this mission. The attached resolution would authorize an agreement between the County of Westchester (the “County”) and the LDC for the period from January 1, 2022 through December 31, 2022, pursuant to which the LDC will reimburse the County for direct services from the Office of Economic Development, including staff and operational costs and for the administrative services provided in an amount not-to-exceed \$325,633, in accordance with the budget set forth in Schedule “A”, attached to the resolution.

The services provided pursuant to this Agreement will serve a public purpose by helping to provide crucial services for expanding Non-Profit businesses.

The goals and objectives of the Agreement are to solidify Westchester’s work force and to continue to expand Westchester’s tax base, keeping Westchester as a premiere location in which to live or work.

The goals and objectives are in the best interest of the County in terms of fiscal responsibility because the LDC is self-funded and provides services to grow the County’s tax base. The goals and objectives of this agreement are tracked and monitored by the Westchester County Local

Development Corporation, the County administration, the Office of New York State Comptroller and the New York State Authorities Budget Office.

As the County is not procuring services, but instead providing them, this agreement is not subject to the Procurement Policy.

Based on the benefits provided to the Westchester County by LDC, approval of the attached resolution is respectfully recommended.
