TO: Board of Acquisition and Contract

FROM: Hugh J. Greechan, Jr., P.E.
Commissioner of Public Works and Transportation

DATE: July 12, 2022

SUBJECT: Resolution for Authority to Advertise
Contract No. 22-207
Countywide Installation of Power and Data Systems for
Electrical Vehicle (EV) Car Chargers
Various Locations
Westchester County, New York

The 2022 Operating Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required to install electrical vehicle (EV) charging stations provided by the County at various Westchester County facilities. Work includes installation of the necessary power and communications systems, including all cutting, drilling and/or patching, excavation and backfill needed. This contract is for a term of three (3) years with one two (2) year renewal at the discretion of the County.

The objective of this contract is to ensure that the County provides electrical vehicle (EV) charging stations at various Westchester County facilities for both fleet vehicles and the public.

This contract is in the public's best interest because it will enable the County to continue to replace existing fleet vehicles with electric vehicles, thus reducing both fuel costs and emissions associated with greenhouse gases.

As expenditures are made pursuant to this authorization, detailed records will be kept in the County's on-line financial system. These records will be easily accessible by Finance, Budget and department staff and will be reviewed regularly to ensure that funds are used appropriately.

RESOLUTION

Upon communication from the Commissioner of Public Works and Transportation, be it

RESOLVED, that the Commissioner of Public Works and Transportation be and hereby is authorized to solicit bids by public advertisement on the following contract:
