Re: Authority for the County of Westchester, acting by and through Westchester Community College, to amend an agreement with the Yonkers Public Schools, acting by and through its Board of Education, to include the provision of books to the School District to support the New York State PTech Grant Initiative(s) at Gorton High School for the period September 1, 2021 through August 31, 2022 whereby the College shall be paid an additional amount of \$15,530.84.

Westchester Community College (the "College") and The Yonkers Public Schools, acting by and through its Board of Education (the "Yonkers Public Schools"), have collaborated on a number of programs over the years that have benefited both students and instructors from the Yonkers Public Schools.

On April 14, 2022, your Honorable Board to authorized the County of Westchester, acting by and through the College, to enter into an agreement with the Yonkers Public Schools whereby the College would provide courses for college credit to students at Gorton High School, Riverside High School, Saunders Career & Technical High School, Roosevelt High School and Palisades Preparatory School. The Agreement was signed on or about July 13, 2022 with a term commencing September 1, 2021 and terminating August 31, 2022. Pursuant to that Agreement the Yonkers Public Schools agreed to pay the College an amount not to exceed Four Hundred Thirty-One Thousand One Hundred Eighty-Four and 69/100 DOLLARS (\$431,184.69) for providing these services.

The Yonkers Public Schools has requested that the College provide books to it to support the New York State PTech Grant Initiative(s) at Gorton High School and is willing to pay the College an additional amount of \$15,530.84. This will increase the total amount payable to the College under the Agreement to an amount not to exceed Four Hundred Forty-Six Thousand Seven Hundred Fifteen and 53/100 Dollars (\$446,715.53).

Authority is therefore requested to amend the agreement by providing for the provision by the College of books to the Yonkers Public Schools to support the New York State P Tech Grant Initiative(s) at Gorton High School and increase the amount to be paid to the College by an additional amount of \$15,530.84.

This agreement is exempt from the operation of the Westchester County Procurement Policy pursuant to Section 3(a)(iii) in that it is an agreement with a political subdivision of the State of New York. The agreement is authorized pursuant to Section 6306.8 of the Education Law in that it is an agreement for a cooperative educational program with a school district. This is not a service that the Yonkers Public School could have performed for itself and therefore does not require Board of Legislators approval.

Accordingly, I recommend adoption of the attached resolution.
